FOR IMMEDIATE RELEASE:

Diorasis Capital to support the world's oldest Foreign Direct Investment event for the second consecutive year!

London, 3 August 2018 – Diorasis Capital repeats its support for the second consecutive year, to Conway Inc., organisers the World Forum of Foreign Direct Investment, to be hosted in Sydney, Australia, on 17-19 June 2019.

The World Forum for Foreign Direct Investment is the world's oldest and foremost global event dedicated to cross-border investment. Held annually in a different country each year, the World Forum brings together corporate and government leaders to discuss the future of the global economy, and what leaders from across the world must do to sustain economic growth, create jobs and improve the quality of life for their citizens.

The World Forum serves as a key connector, bringing together corporate decision-makers from globally expanding firms with leaders of investment promotion agencies, service providers and intermediaries.

Key speakers will analyse among other topics, the trade tensions and tax reforms in the United States, and how they shaped the global FDI flows of 2018.

Mr. Angelos Tsigkopoulos, Founder & CEO of Diorasis Capital Ltd, stated: *"We are delighted to support the world's oldest and most significant Foreign Direct Investment event, for the second consecutive year. We always aim to keep our investors and investees up-to-date with the geopolitical news and facts that will possibly affect both, their buy and sell strategy. We feel that this event does just that so I did not hesitate a minute".*
